Dear Jeff;

This letter is to advise you that the City of Sultan Planning Department has received an application for a 15-lot subdivision on a ten-acre parcel located on the East side of Sultan Basin Road, approximately 200 feet North of 138th Street SE in Sultan. The developer of the property has proposed a financial contribution for the required recreation facility in lieu of constructing a facility on site. The application is available for your review at my office.

If you have any questions, please feel free to call me at 360.793.2231.

Sincerely,

Rick Cisar
City Administrator/Planner
