

"Setting the Record Straight"

(G.R.I.T. Comments Re 2007 Election Letters to the Monroe Monitor Editor)

Subject: Bart Dalmasso's 10/30/07 letter refuting Gerry Gibson's 10/23/07 "assumptions" that some positions taken by Kerry Ourada regarding certain housing developments would "ultimately affect [Sultan All Real Estate Owner/Broker] *Dalmasso's ability to sell houses.*" Mr. Dalmasso manifestly disagreed, responding, in part: "The simple majority of my business is derived from selling restaurants, and mostly Mexican restaurants...The Majority of my remaining business is a combination of commercial properties in other states....and commercial property throughout Washington."

Our response? All we can offer are the All Real Estate residential home listings posted all over his storefront window, and his website:
