## ENVIRONMENTAL DETERMINATION OF NONSIGNIFICANCE

The City of Sultan has conducted Environmental Review of the following project:

File Name & Number: Water Treatment Site Improvements  
Location: 31020 124<sup>th</sup> Ave SE, Sultan, Washington  
Project Description: Placement of 5,000 cubic yards of fill to stabilize the slope adjacent to the Water Treatment Plant Facility.  
Proponent: City of Sultan Public Works Department  
Lead Agency: City of Sultan  
319 Main Street  
P.O. Box 1199  
Sultan, WA 98294-1199  
Responsible Official: Rick Cisar

The City of Sultan has determined that this proposal does not have probable significant adverse impacts on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.031. This decision was made after review of a completed environmental checklist and other information on file with the City of Sultan. This information is available to the public on request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340. Issuance of this threshold determination does not constitute approval of the development permit. This proposal will be reviewed for compliance with all applicable City codes that regulate development activities.

Comments: Written comments may be submitted to the City of Sultan at the address above prior to 5:00 pm on October 4, 2006. Unless action is taken by the Lead Agency, this DNS shall become final at the end of the comment period.

Appeal: Any interested person may appeal this threshold determination in accordance with SMC 17.04.150. Appeals must be received within 14 days of the end of the comment period (by 4:30 pm, October 18, 2006). You should be prepared to make specific factual objections. For more information contact the City at (360) 793-2231
