Ponderosa Pacific Inc, 31444 Rosewood Drive, Sultan, WA 98294, is seeking coverage under the Washington Department of Ecology's NPDES General Permit for Stormwater Discharges Associated with Construction Activities. The proposed 33.0 Ac project, known as Timber Ridge Estates, fronts the east side of Sultan Basin Road (14200 Block) located in the City of Sultan. Approximately 17.8 acres will be disturbed for site clearing, grading, and the construction of new roads, sidewalks, trails, utilities, and stormwater facilities for the 87 lot residential subdivision. Stormwater will be collected and routed to an on-site wet pond detention system prior to discharge to an un-named tributary of Wagleys Creek flowing westerly situated along the southern site boundary. Existing on-site wetlands will be maintained, and stormwater discharge will match pre-development rates. Any persons desiring to present their views to the Department of Ecology concerning this application may notify Ecology in writing within 30 days of the last date of publication of this notice. Comments may be submitted to:
