Greetings

You are cordially invited to the Sultan, Start-Up & Gold Bar Fall Farm Festival Kick-Off this Saturday, Oct 20th at 10: 00 AM at the Sultan Visitor's Bureau (across from the Sultan Library). The Chamber will be serving hot cider & treats with a few words of welcome from Sultan's Mayor, Ben Tolson.

This is a County - Wide endeavor celebrating the farming community. It's a wonderful opportunity to meet real farmers that work and grow in our own neighborhoods!

We will have some of the festival participants, chamber officials, city officials, state officials, WSU Extension Representative, Sultan Garden Club, Snohomish County Dairy Women's with this years Dairy Ambassador/Princess and many of the volunteers.

We are hoping that you will join us for the kick-off and possible be able to visit some of the participating vendors. (see attached map/guide - also available at the local chamber's and libraries)

Please let me know whether you are able to attend.

Thank You

Roxanne Husmann
