Text of Email received from Ericka Sharp:

Subject: Family's home burned down last night

...This is just... AWFUL! Any help you can give would be most appreciated. Things I am sure could be taken to the SMS or if you need a contact information I can get that for you too. Keep them in your thoughts and prayers. They gave the kids sizes and info as well as Dave & Charmaine's. I am told the boys are at school with pretty much all they have left. Please pass this to others who know them and/or could help them out.

Ericka

Two of our (SMS) students had a tragedy last night. *[names withheld]* Shaw's home burned to the ground. The family is in need of EVERYTHING! Currently they are living in a 5th wheel on their property. If you would like to help out with donations, here are the sizes:

Needed for Family's two Sons (names withheld):

Shoe size 8 ½
Pants size 14
Shirt size Boys XL
socks and underwear

Shoe size 9
Pants size 18/20
Shirt size Adult - small
Socks and Underwear

Dave (father) is probably an XXI and Charmaine (mother) is a size L shirt and 14 pant.
They would also appreciate snacks/drinks/sandwich stuff etc. to get them by for a couple of days.
