The Sky Valley Chamber of Commerce needs your help!

The Chamber is creating a new brochure designed to answer the burning question from visitors, "What should I do while visiting the Sky Valley?" The Chamber is seeking input from area residents.

What would you recommend to someone who is here for a few days? What are five natural, historic, or otherwise-notable locations in your town? Does your town host any yearly events or celebrations? Do you know of any "fun facts" to share? The Chamber is looking for more information about fishing and gold panning. Here in the Sky Valley we get to experience the beauty of all four seasons. What activities or places to visit would you highlight for each season?

Community knowledge will help create a tool that can be used to encourage visitors to spend a few extra days exploring the Sky Valley.

Thank you for taking the time to share your insights with us. Please stop by the Visitor Center on 4th & Main in Sultan or drop a note to PO Box 46, Sultan, WA 98294 or email skyvalleychamber@verizon.net.
