

## QUALIFICATIONS

(Re Rick Cisar and Craig Bruner qualifications, per question raised on ittakesgrit.org's discussion forum 1-17-05)

I placed requests some time ago for the educational background and professional qualifications of both Craig Bruner and Rick Cisar, and below is the information that was provided me, which includes a public information request to the City of Mt. Vernon, Cisar's previous employer before he was hired by the City of Sultan.

According to the interpretation of the Public Disclosure Act, via decisions by both the City of Sultan and the City of Mt. Vernon, information on prior education/training and background, at least as included on an applicant's resume, is

### RICK CISAR:

Below is what was provided by the City of Mt. Vernon:

- [Severance Agreement](#) with the City of Mt. Vernon, effective August 30, 2001
- Certificate of Completion (40 hours of economic development training at Eastern Washington University)
- Confirmation of Attendance at "Washington Cities Insurance Authority Personnel Issues Seminar" December, 1995

### CRAIG BRUNER

Below are the copies of certificates of training Mr. Bruner has received. The City's interpretation of my request precluded any information on Mr. Bruner's previous education, training or background, prior to joining the City of Sultan.
