Dear Mrs. Hawood:

We are sending this letter in regards to your park property located on Gohr Road and the planting strips along Willow Ave and 5th street. These weeds have grown to the point where they are now considered a nuisance and in violation of the City of Sultan Municipal Code Chapter 8.04 section 8.04.030. We have attached a highlighted copy of this section for your review.

Please have this property mowed to remove the fireload and nuisance that the tall weeds and or grass are causing by July 31, 2001. If by July 31st the fire hazard has not been removed, the City will remove the hazard and charge you accordingly.

Thank you for your cooperation and response to this matter. If you have any questions please do not hesitate to give me a call at 360-793-2231.

Sincerely,

Stacy Criswell
