Whereas public officials, and city staff, have the duty of serving the public with undivided loyalty, uninfluenced by any private interest or motive. The actions of some people within the city government challenge the integrity of this great city, so we ask voters of Monroe, Washington "Should the city of Monroe's boards, commissions and city staff be prohibited from being awarded contracts with the city?" Therefore, we the undersigned registered voters of the city of Monroe, Washington, respectfully order and direct that this Initiative be referred to the vote of the people pursuant to state law and Monroe municipal code for their approval or rejection at a regular or special election, to be held on a date and in a manner required by the RCW; and each of us, him or her says: I have personally signed this petition; I am a legal voter of the City of Monroe, Washington, my residence address is correctly stated, and I have knowingly signed this petition only once.
